SUBMARINE MEMORIAL FOUNDATION”**

CASH DONATION

The Lycoming County Veterans Memorial Park was originally established as a tribute to our fallen submarine veterans in the early 1990s. Since its creation, the Lycoming County Veterans Memorial Park has expanded to include a walk of memorials for people to reflect on the earlier wars in which Americans and soldiers from Lycoming County and all branches of the military were engaged, dating to the Revolutionary War and the birth of our nation.

All Donations are tax deductible as the park has a 501C3 through the original Submarine Memorial. All donations through this will go to the local park here in Williamsport PA. Future projects include: a granite Intruder Story Obelisk, Repainting of the A6 Intruder, a Medal of Honor Monument, Distinguished Flying Cross Monument, and a Purple Heart Monument.
