

Clinton Country Club Tournament Guidelines

Thank you for choosing the Clinton Country Club to host your Charity Golf Tournament. Clinton Country Club wants to help you make your event successful. To assist with organizing your charity event CCC has established some guidelines to follow to allow us to prepare for the event.

- CCC requires all organizations to complete an application and a signed contract. The application will assist us to prepare for the golf event. Applications must be returned to the CCC Pro Shop with a \$200 deposit. The deposit will secure the date for the golf event.
- Pricing for the event is based on the number of participants in the event. Prices are listed on the front page of the application. That the organization will pay an amount for green fees, cart and additional \$5.00 per golfer for Pro Shop credit. The Pro Shop credit may be used for awards for the tournaments. Additional gift cards may be purchased as well.
- CCC has 72 golf carts available for tournaments.
- CCC requires you to know the number of participants in the tournament 5 days prior to your event. If the event has over 100 participants, CCC will close the course for the duration of the event. Any event with less than 100 participants, CCC will work with the group to plan for the tournament time, but the course may not be closed to golfers outside the tournament. Events of less than 50 participants will have to make special arrangements with Head Golf Professional, Brady Williams.
- Advertising is a big part of having a successful event. CCC encourages organizations to have Tournament fliers available in the Pro Shop for interested golfers. Organizations are welcome to hang posters at CCC with approval of the Pro Shop management.
- **Haywood's OTG** will be handling all the food and beverages for your event. We have included a price list menu in the application. A representative from your organization will need to contact **Haywood's OTG** to make plans and finalize the menu for your event. Reminder, NO outside purchased Alcohol will be permitted on the golf course. All alcohol must be purchased through **Haywood's OTG**. Violations could include no future events for the organization at CCC.
- CCC encourages organizations to have awards for female groups that participate. We are encouraging our woman golfers to participate in tournaments. Many female golfers have suggested for tournaments to have a separate division for women teams. If so, more women golfers may participate.

We look forward to working with you and making your golf tournament enjoyable and successful.
